Dear Mr. Coonrod:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. The review raised questions concerning certain information contained in the report(s). An itemization follows:

-Schedule A of your report discloses contributions designated for the Primary 2000 and General 2001 elections. Contributions designated for, but made after a particular election may not exceed the campaign's net debt outstanding for that election. The Commission notes that 1) Your Committee does not appear to have net debts outstanding for the Primary 2000 election, and 2) There was no General 2001 election for which the Committee could accept contributions.

If the contributions in question were incorrectly disclosed, you must amend your report to provide the correct election designations. (11 CFR §§110.1(b)(2) and 110.2(b)(2))

Any amendment or clarification should be filed with the Federal Election Commission. Electronic filers must file amendments (to include statements, designations and reports) in an electronic format and must submit an amended report in its entirety, rather than just those portions of the report that are being amended.
